

Letter of Recommendation

To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for **Mr. Axel Marvelous Surya**, who served as an intern at our company from **13 February 2025 to 12 August 2025**. During this period, Axel immersed himself in multiple roles, gaining valuable experience both as a **Product Designer** and as a **Product Manager**.

Axel demonstrated an impressive ability to adapt quickly to new responsibilities. His critical thinking skills, particularly in analyzing problems and evaluating solutions, were highly appreciated. He approached each assignment with thoroughness and creativity, ensuring that his work added value to our ongoing projects. The quality of his deliverables and his professional attitude quickly established him as a dependable member of the team. Beyond his technical and creative capabilities, Axel consistently proved himself to be accountable and responsible, reliably meeting deadlines and ensuring that the quality of his work met the highest standards.

In light of his performance, I am delighted to provide this recommendation. I have no doubt that Axel will bring the same level of commitment, skill, and integrity to any organization he chooses to join. I am confident that he will be a valuable asset to your company or institution, just as he has been to ours.

Should you require any further information regarding Axel's qualifications or performance, please do not hesitate to contact me.

Sincerely,
